

JOIN THE EU-PROMENS PROGRAMME

EMPOWERING MENTAL HEALTH PROFESSIONALS ACROSS EUROPE

National training course in Czechia

EU-PROMENS is funded by the EU4Health programme and is a transformative capacity-building initiative designed to elevate mental health expertise across the EU Member States, Norway, Iceland, and Ukraine. Our mission is to foster multi-sectoral collaboration by enhancing the skills of professionals from diverse backgrounds.

Who should join?

- Health Professionals
- Mental Health Experts
- Social Workers
- Education Workers
- Justice Sector Professionals
- Cross-Sectoral Professionals in interdisciplinary community settings
- Non-Clinical Mental Health Workers such as Peer support or volunteers

Training features

- Interactive workshops and case-based discussions
- Group activities and role-plays
- Real-world scenario simulations
- Peer-to-peer learning and networking
- Digital tools for online engagement

Essential information

- Trainings are available In-person and online in national language
- The Costs are fully covered by the project

Sign-up to our 2-hour online info workshop to know more about the training. The workshop will be conducted in national language: 24 July 2025 - 14:00 to 16:00

<https://us06web.zoom.us/joining/register/69-NfuTzQwCXBf8dcAeBCA>

Registration to the Training Programme is open from 1 July to 1 September. If the maximum number of participants is reached before the deadline, the registration will close earlier.

THE MULTIDISCIPLINARY TRAINING PROGRAMME INCLUDES 2 TYPES OF TRAININGS.

YOU CAN APPLY FOR ONE OR BOTH OF THESE TRAININGS:

2-day Core Training

Modules to be confirmed

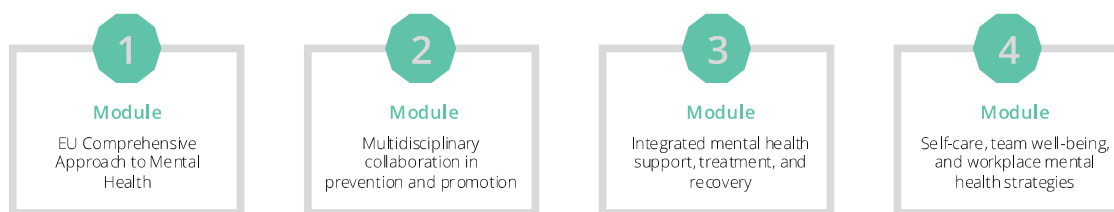

Dates:

- 1st group: 11 and 12 September, Prague
- 2nd group: 18 and 19 September, Prague
- 3rd group: 25 and 26 September, online

The 2-day Core training includes 8 modules focusing on foundational mental health competencies and intersectoral mental health collaboration / communication. You will be supported to build foundational mental health competencies, such as helping skills, mental health literacy, and risk assessment, while developing intersectoral collaboration and communication skills and promoting systems thinking for sustainable mental health practices.

1-day Advanced Training

Modules to be confirmed

Dates:

- 1st group: 1 October 2025, Prague
- 2nd group: 2 October 2025, Prague
- 3rd group: 3 October 2025, online

Includes 4 advanced modules focusing on multidisciplinary mental health team collaboration and self-care and resilience. You will be supported to expand the understanding of mental health policies and strategies for creating supportive systems, enhance multidisciplinary collaboration, develop advanced teamwork and leadership skills, and strengthen practices that promote self-care, resilience, and team well-being.

Apply Now!

Enhance your skills and join a network of professionals committed to integrated, person-centred mental health care.
